Welcome! Take A Walk Through Our Front Door

We hope our welcome will give you a glimpse into our school and its uniqueness. Words and pictures can in no way describe what you will experience when you stop into Cedar Road Christian Academy. Numerous people have made very positive and gracious comments about the peacefulness they experience and the confidence they have that their child will be well cared for.

Our motivation to educate and care for your child begins with the conviction that your child is a precious gift from God, and that we must give accountability not only to Him who is the child's creator, but to the parents who are the God ordained caretakers.

Pastoral oversight and hands on administration assure that the finest education and care will be delivered to your child. Teachers and staff, many who are themselves parents, attend to your children with the same love they would their own. The special bond that develops between teacher and student is evident. At CRCA, you will find consistent, high quality care with a very personal touch.
