[Our Services](#)[Superior Products](#)[Project Photo Gallery](#)[Client Testimonials](#)

**Clark Roofing & Siding, Inc. is a full service roofing and siding company.**

We are a Class A Contractor. We have established ourselves on quality workmanship and professional service. Our employees receive on going training to achieve the high standards set at Clark Roofing & Siding. We install all types of high end materials including: standing seam metal, Eco-Star® products, copper roofing, and fiber cement siding, cedar siding, and Cedar Impressions®, though no job is too big or too small.

Our installation efforts are concentrated in Hampton Roads and the North-eastern North Carolina area. Charles T. Clark grew up in North Carolina and has been doing business in the area for over 19 years. We own our own metal roofing machine and gutter machine. Clark Roofing & Siding has achieved many certifications and are accredited members of the Better Business Bureau. We use only in house craftsmen to maintain our commitment to quality work.
