## Welcome to First Baptist Church

We are glad that you decided to visit our First Family online and pray that the available information will serve as a helpful intro to who we are and the exciting work that God is seeking to do in and through this faith family that the Name of our Christ might be exalted and that the residents of our city, nation and world might be healed. This spirit-led, family oriented congregation of believers is honoring God's Word and the gifts He has given us by making worship, discipleship, fellowship, evangelism, and ministry relevant to the complex

needs of our modern day. We invite your prayers, presence, and participation at all of our services of worship and biblical studies and look forward to meeting you and your family upon your arrival to God's place on the harbor where haven meets heaven!
