**Lee Hartman & Sons** is located at 3236 Cove Road in Roanoke, Virginia. The company was started in 1936 by Lee Hartman, Sr. providing sales and service for home and commercial audio equipment in the Roanoke Valley. Over the past 70 years Lee Hartman has grown to its current size due to providing excellent products and service to the community.

We now have satellite offices in Newport News, VA., Baltimore, MD and Dunbar, WV to provide these same high quality services to our Residential, Commercial, Religious and Government clients in these areas.

Lee Hartman, Jr., the current President, started working with his father in 1962 and learned the business from the ground up and has run the company from 1975 to today. Currently, the fourth generation is active in the company to continue the legacy started over 70 years ago.

Working with the many schools across the Commonwealth of Virginia and the State of West Virginia, we have strived to provide the best product at a reasonable cost to the schools. Our highly trained staff will install and educate you on your new purchase so that you will utilize all of the products correctly.
